The Journey Coffeehouse is a non-profit coffeehouse started by members of First Church in Madison, WI. The coffeehouse was opened in 2004 and is open to the public. Although the coffeehouse is a non-profit, come in and you'll see it looks like your typical coffeehouse. We offer great coffee drinks, pastries, and smoothies. Because we are a non-profit, the coffeehouse is really here to serve the community. We offer spaces to community groups who would like to meet at the coffeehouse and take suggestions on how to better serve the community. We are currently supporting AIDS education and a homeless ministry in Madison, WI.

The Journey  
Ministries meet at the

We exist to create a  
community that seeks the  
holistic transformation  
of adolescents  
towards Christ-likeness and  
commitment to building  
His Kingdom.

We value community,

## WHAT HAPPENS OUTSIDE OF THE JOURNEY...

**Bible Studies: Various Nights 7-8:30**  
Been coming to the Journey and want to go a little deeper? Want a chance to ask questions about faith and God? Want to find out what the bible really says? Bible studies meet different nights for different grades and genders. We meet at the Journey Coffeehouse and some nearby homes.

**Revolution: One Monday/Month 7-8:30**  
Revolution is the student leadership team for students in grades 7-12th. Revolution. Students are trained to be leaders, are encouraged to lead in areas of their lives outside of the Journey Ministries, and lead within the Journey Ministries through serving, leading other students, and making decisions for the direction of the ministry.

**Kingdom Works 4:30-7**  
Want to serve in the community? Share God's love with others? Several Friday evenings a month the Kingdom Works team and student volunteers head over to the local soup kitchen to help serve dinner. Make it a habit of serving.

## LEADERS AT THE JOURNEY...

The journey ministries need leaders! We seek to build a transformational community and we believe that leaders can be the catalysts in building that committed Christian community.

Leaders serve in a variety of jobs, from bible study leaders to volunteer baristas. There is a place for everyone! Leader can tutor during Homework Help or help set up the sound system for live bands at Fridays at the Journey.

We need leaders to build relationships with adolescents and walk with them as they journey towards Christ-likeness.

**Volunteer Leader Training**  
Volunteer leader training takes place once a month on Sundays from 10-11 am. Leaders learn about everything from working with hurting teens to understanding the postmodern shift.
